## Letter from the President

Dear Willow Park Green neighbors,

We have received prices to repair the damaged section of our gate and will finalize this repair with the party involved in the very near future.

With the start of school, once again, we are having parents use our entrance area as a parking lot – if you would like to volunteer to monitor this situation – put out traffic cones, inform parents this is private property, take up traffic cones – please let us know.

A Fall Block Party is being planned for October – final date and more information to come.

There has been conversation about a date for a Community Garage Sale in October – if you have an interest in participating, please let us know – minimum of 5 families needed.

### DID YOU KNOW?

Per the Willow Park Greens CCR's - Advertisement signs for a Contractor performing any work on your property are not allowed to be displayed in the front yard. If you are happy with their work – word of mouth is the best method to pass along information.

All homes are to have a landscaped area in the front & these areas are to be maintained in a healthy condition by the homeowner to include proper “weed control” and the removal/replacement of dead plants. The homeowner is responsible for trimming low-hanging tree branches of all yard trees including those near the sidewalks.
